Kelowna Custom Theaters
Kelowna, BC

Attention: Ryan Dockrill

I just wanted to say thank-you for the quality workmanship performed in our 2 new show homes. From rough-in to final installation, your scope of work was professional, completed in a timely manner, and the final outcome greatly enhanced the entire home.

Your team was knowledgeable explaining various options and applied creative insight that enhanced our home entertainment systems. The installation staff was neat and well mannered.

Meadow Ridge Homes proudly recommends Kelowna Custom Theaters to all our customers.

Keep up the great service!

Sincerely,

Miles Krahn
